## Sponsor Opportunities

---

### SPONSORSHIP AND EXHIBITION OBJECTIVES

- Provide maximum exposure of your company's brand, products and services to the marine terminal operators, ocean carriers, tug and barge companies and others involved in the environmentally responsible management of maritime and terminal operations.
- Promote, strengthen and grow relationships between those engaged in environmental compliance and risk management and terminal and vessel operating companies.
- Provide a venue for education about your company's environmentally responsible products, services and 'Green' solutions
- Provide a forum to sell environmental and 'Green' products and services to the maritime and terminal operations community

### SPONSORSHIP AND EXHIBITION PROGRAM BENEFITS

- Access to highly-targeted potential customers who are responsible for the environmental agenda of their maritime and terminal operating company
- Opportunity to strengthen the audience's awareness of your company's environmental products and services in a relevant conference forum
- Opportunity to promote your company name and product recognition with attendees

---
